

## Epicare 7 SKIN CARE LOTION

**Epicare 7** is a perfume-free skin care lotion which helps to regulate moisture level of skin. **Epicare 7** is absorbed quickly by the skin, leaving a pleasant and refreshing feeling. **Epicare 7** is dispensed via the **Maximum dispenser**, which is an attractive modern design complete with window to identify contents and providing exact pre-set dosing to suit your needs. The pre-set volume is variable between 0.5 and 1.5ml. The **Maximum dispenser** is easily attached to the wall, is easy to clean and is fitted with a lever for hand, arm or elbow use.

**Application:** Suitable for regular skin care particularly in the food processing industry.

- **CLEAN** - Skin protection for healthy hands.
- **SAFE** - Helps to maintain and regulate the skin's moisture level.
- **EFFICIENT** - Controlled dosage via Ecolab dispenser.

### USE INSTRUCTIONS

#### FOR USE WITH ECOLAB DOSING UNIT

**Epicare 7** is designed for the use in an Ecolab dispenser or should be used with an Ecolab bottle pump.

**Epicare 7** should be used on a regular basis after work and before breaks.

- 1 Apply a short strip (about 1 cm in length) to the clean skin
- 2 Distribute evenly on and rub into the skin
