

Into WC WC AND URINAL CLEANER

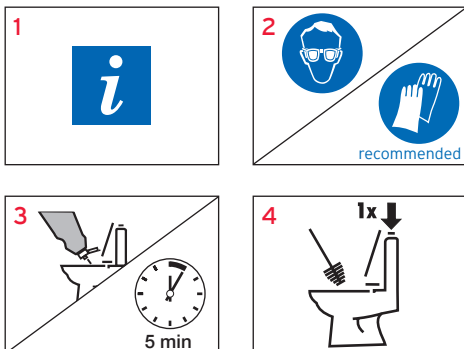

Into WC is a ready-to-use acidic toilet bowl cleaner for daily use. The liquid toilet bowl cleaner with high viscosity has an excellent cleaning performance. **Into WC** cleans and deodorizes. It removes limescale, soil and urine stains and is supplied in an easy grip bottle with angled neck for effortless application in hard-to-reach places.

Application area: For all acidic resistant ceramic toilet and urinal bowls.

- **Performance:** Strong cleaning performance and high hygiene standards
- **Efficiency:** Easy grip bottle with angled neck effective in hard-to-reach areas and enables fast and easy cleaning
- **Safety:** Childproof cap to avoid product misuse

USE INSTRUCTIONS

- 1 Check product label, MSDS and hygiene plan for detailed use information.
- 2 Wear suitable protective clothing when handling cleaning products.
- 3 Apply **Into WC** undiluted to the toilet bowl and under the toilet rim. Cover the whole inside surface of the bowl with a continuous film of liquid. Leave in contact for 5 minutes.
- 4 Agitate with toilet brush. Flush and rinse brush.

SPECIAL NOTES / INFORMATION

Do not use on water and acid sensitive surfaces. Remove spillage or splashes immediately and rinse thoroughly. Test material compatibility in a small inconspicuous area before use.

For professional use only!

SAFETY

Do not mix with any other product but water!

Must not be used with chlorine products. For further information and safety instructions, see product label and Safety Data Sheet.
