

FOAM 1

Foaming hand wash especially formulated for people with sensitive skin

- A superior cleansing performance that is also friendly to your skin
- Pleasant and fresh fragrance, making it ideal for public restrooms
- 30% less dosage volume*

USE INSTRUCTIONS

Designed for use in the Nexa dispenser.

Apply to wet hands. Please follow the correct hand wash technique to ensure the soap is applied to all areas of the hands, including those areas frequently missed. Rinse completely with water. Dry thoroughly.

SAFETY

Safety Data Sheet available on request.

For further information and safety instructions see the product label and safety data sheet.
