

Into *maxx* POWERFUL ALL-ROUND SANITARY CLEANER

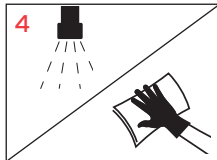

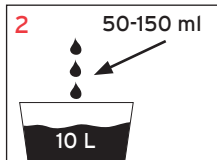

Into maxx is an acidic sanitary cleaner for daily and heavy duty cleaning tasks.

- **Efficiency Matters:** Easily removes lime scale, urine stone and dirt.
- **Safety Matters:** Red colour-coding provides increased user safety.
- **Performance Matters:** Excellent lime and dirt removal combined with a modern long lasting scent.

All this makes Into maxx the perfect choice for professional users. Even when used diluted, Into maxx proves a very good spontaneous lime removing capacity, shortening contact time

USE INSTRUCTIONS

- 1 Check product label and hygiene plan for detailed use information.
- 2 Dilute 50 - 150 ml of **Into maxx** with 10 L water. Use undiluted on stubborn soiling.
- 3 Apply the cleaning solution onto a microfibre cleaning cloth or sponge. Wipe the surface. We recommend using **Into maxx** in combination with colour-coded Polifix microfibre cloths to avoid cross contamination.
- 4 Rinse with water or wipe with a clean damp cloth.
- 5 For manual floor cleaning we recommend the product in combination with Ecolab rasanTEC® mopping system.

APPLICATION AREA

For maintenance cleaning of all acid proof surfaces in bathrooms with hard water.

SPECIAL NOTES / INFORMATION

Test material compatibility in a small inconspicuous area before use.

For professional use only!

Safety Data Sheet for professional users available on request.
